WARNING

- Battery packs may explode or release toxic materials. Risk of fire or burns. Do not open, crush, modify, disassemble, heat above 140 °F (60 °C), or incinerate

- Follow instructions from manufacturer

- Never put batteries in mouth. If swallowed, contact your physician or local poison control center

- Do not short circuit; may cause burns or catch fire

- Do not charge or use battery packs with other than specified Shure products

- Dispose of battery packs properly. Check with local vendor for proper disposal of used battery packs

- Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like

AVERTISSEMENT

- Les accus risquent d'exploser ou d'émettre des matières toxiques. Risque d'incendie ou de brûlures. Ne pas ouvrir, écraser, altérer, démonter, chauffer au-dessus de 60 °C (140 °F) ou incinérer

- Suivre les instructions du fabricant

- Ne jamais mettre les accus dans la bouche. En cas d'ingestion, contacter un médecin ou le centre anti-poison local

- Ne pas court-circuiter ; cela risque de causer des brûlures ou un incendie

- Ne pas charger ou utiliser les accus avec des produits autres que les produits Shure spécifiés

- Mettre les accus au rebut de manière appropriée. Vérifier auprès du fournisseur local la manière appropriée de mettre au rebut les accus usagés

- Les accus (bloc accu ou accus installés) ne doivent pas être exposés à une chaleur excessive, p. ex. lumière du soleil, feu ou similaire

ACHTUNG

- Akkusätze können explodieren oder giftiges Material freisetzen. Es besteht Feuer- und Verbrennungsgefahr. Nicht öffnen, zusammendrücken, modifizieren, auseinanderbauen, über 60 °C erhitzen oder verbrennen.

- Die Anweisungen des Herstellers befolgen.

- Akkus niemals in den Mund nehmen. Bei Verschlucken ärztlichen Rat einholen oder die Giftnotrufzentrale anrufen.

- Nicht kurzschließen; kann Verbrennungen verursachen oder in Brand geraten.

- Akkusätze nicht mit anderen als den angegebenen Shure-Produkten aufladen bzw. verwenden.

- Akkusätze vorschriftsmäßig entsorgen. Beim örtlichen Verkäufer die vorschriftsmäßige Entsorgung gebrauchter Akkusätze erfragen.

- Akkus (Akkusätze oder eingesetzte Akkus) dürfen keiner starken Hitze wie Sonnenstrahlung, Feuer oder dergleichen ausgesetzt werden.

ADVERTENCIA

- Los conjuntos de baterías pueden estallar o soltar materiales tóxicos. Riesgo de incendio o quemaduras. No abra, triture, modifique, desarme, caliente a más de 60 °C (140 °F) ni incinere

- Siga las instrucciones del fabricante

- Nunca ponga baterías en la boca. Si se tragan, acuda al médico o a un centro local de control de envenenamiento

- No ponga en cortocircuito; esto puede causar quemaduras o incendios

- Sólo se deben cargar o usar los conjuntos de baterías con los productos Shure especificados

- Deseche los conjuntos de baterías de forma apropiada. Consulte al vendedor local para desechar adecuadamente los conjuntos de baterías usados

- Las baterías (conjuntos de baterías o baterías instaladas) no deben exponerse al calor excesivo causado por la luz del sol, las llamas o condiciones similares.

AVVERTENZA:

- © 2011 Shure Incorporated

- Le pile possono esplodere o rilasciare sostanze tossiche. Rischio di incendio o ustioni. Non aprire, schiacciate, modificate, smontate né scaldate oltre i 60 °C.

- Seguìte le istruzioni del produttore

- Non mettete le pile in bocca. Se ingerite, rivolgetevi al medico o al centro antiveleni locale.

- Non causate cortocircuiti, per evitare ustioni o incendi.

- Caricate ed usate le pile esclusivamente con i prodotti Shure specificati.

- Smaltite le pile in modo appropriato. Per lo smaltimento appropriato delle pile usate, rivolgetevi al fornitore locale.
