Printed in China

These charging modules are for use with Shure AXT900, AXT903, and AXT904 battery chargers.

WARNING

- Battery packs may explode or release toxic materials. Risk of fire or burns. Do not open, crush, modify, disassemble, heat above 212°F (100°C), or incinerate
- Follow instructions from manufacturer
- Never put batteries in mouth. If swallowed, contact your physician or local poison control center
- Do not short circuit; may cause burns or catch fire
- Do not charge or use battery packs with other than specified Shure products
- Dispose of battery packs properly. Check with local vendor for proper disposal of used battery packs

 **WARNING:** Danger of explosion if battery incorrectly replaced. Operate only with Shure compatible batteries.

Installation

Handheld and bodypack charging modules may be installed interchangeably into the charger.

-  **Caution!** Remove power and batteries when installing charging modules.
- To remove a module, remove the four (4) mounting screws and pull.
 - To install a module, slide it in until flush with the housing and replace the screws.

Note the orientation of the guide rails.
