*Recommended stylus cleaning: Use a camel's hair brush (No. 64 or smaller), trimmed to approximately .0025 mm (.0001") size, and alcohol-distilled water solution. Alcohol will deteriorate the rubber or plastic tip, and a water solution will cause the arm to sweep across the record. Do not stack more records than turntable manufacturer recommends. Changing mechanism to prevent the stylus from striking the edge of the cartridge or shell. Follow turntable manufacturer's instructions to mount cartridge and shell. Follow turntable or tone arm instructions when adjusting antiskating force setting for each cartridge. Do not use badly warped, cracked or imperfect records. Do not stack more records than turntable manufacturer recommends. Correct improper set-down adjustment or malfunction of the turntable while turntable is rotating, release it as soon as the stylus engages the record.

**Tracking force greater than maximum indicated should not be used.

NET WEIGHT: 6.2 grams

INDEPENDING OF ANODIZING

DIG RESISTANCE: 660 ohms

OPTIMUM LOAD: 47,000 ohms resistance in parallel with 400 to 500 picofarads capacitance. (1 channel only)

MONOPHONIC OPERATION: Set function switch on amplifier to "MONO" or "A+B". If amplifier is not equipped with this switch, connect left and right channel cartridge terminals in parallel with each other.

FULL ONE-YEAR WARRANTY: Shure Brothers Incorporated ("Shure"), 222 Hartrey Ave., Evanston, Illinois 60204, U.S.A., warrants to the owner of this Shure product that it will be free, in normal use, of any defects and materials for a period of one year from date of purchase. You should keep your receipt of purchase. Shure is not liable for any consequential damages. If this Shure product has any defects as described above, carefully pack the unit and return it to your dealer or to Shure Brothers Incorporated, 222 Hartrey Ave., Evanston, Illinois 60204, U.S.A. so that it can be examined and the possible defect determined. Upon receipt and examination, Shure will repair or replace any defective part or parts and return the unit to you promptly, and if it is incapable of being repaired or replaced, will refund to you the amount paid for it. This warranty does not include stylus wear.
